On March 19, 2001, we received from Petitioner City of Bellingham a motion to dismiss this case without prejudice. Petitioner noted that the City and Whatcom County have negotiated an amendment to the interlocal agreement between the jurisdictions regarding annexation and development within the City of Bellingham Urban Growth Area (UGA) which provides for a joint process to review applications for UGA boundary changes. The City indicated that the County and Intervenor concur with the motion. The motion is granted. The case is dismissed.

So ORDERED this 27<sup>th</sup> day of March, 2001.
